- The circular route starts and ends at Woolwich Township office, Church St W & Maple St. This is also location stop #3818 GRT Route 21.
- It is flexible and there is no need to book your trip, as this bus runs on a schedule.
- It's friendly - This bus is fully accessible and our operators are helpful.
- It's simple - Anyone can ride the Community Bus and it's free.

Boarding the Community Bus

This bus services various stops around Elmira. Look for the orange bus stop sign at the various bus stop locations. Customers are encouraged to come to the bus stop 5 to 10 minutes before the bus is expected to arrive. This will ensure the driver has ample time to see you and stop the vehicle so you can board.

The Elmira Community Bus service connects customers to a variety of locations along an Elmira neighbourhood route. This circular route starts and ends at The Woolwich Township office on Church St W & Maple Street. This is also the location of Bus Stop #3818 for GRT Route 21, for easy connection.

This pilot project aims to promote ridership by providing customers with a convenient and accessible travel option for getting around their neighbourhood easily. This will allow easier access to GRT Route #21 bus stop locations and access to downtown and perimeter businesses.
